

HFSP AWARDS 2016

CAREER DEVELOPMENT AWARDS

BIENKO Marzena Magda POLAND	Department of Medical Biochemistry and Biophysics Karolinska Institute Stockholm SWEDEN	<i>Mapping genome organization and expression landscapes in single cells in early embryonic development</i>
DASGUPTA Shamik INDIA	Department of Biological Sciences Tata Institute of Fundamental Research Mumbai INDIA	<i>Genetic dissection of the neural circuits of decisions and actions</i>
FAKHRI Nikta IRAN/USA	Department of Physics Massachusetts Institute of Technology Cambridge USA	<i>Physical gating of transcription: loss of mechanical regulation in oncogenic transformation</i>
JACOBS Frank THE NETHERLANDS	Swammerdam Institute for Life Sciences University of Amsterdam THE NETHERLANDS	<i>Retrotransposons in control of human neuronal gene regulatory networks</i>
PAPENFORT Kai GERMANY	Department of Biology Ludwig-Maximilians University Munich GERMANY	<i>Systems biology of bacterial small RNAs</i>
RAMDYA Pavan USA	Department of Zoology University of Cambridge UK	<i>Visualizing neural dynamics that govern action selection</i>
RINKEVICH Yuval ISRAEL	Institute for Lung Biology and Disease Helmholtz Zentrum Munich GERMANY	<i>Cellular and molecular mechanisms of mammalian scar inception</i>
SHULMAN Ziv ISRAEL	Department of Immunology Weizmann Institute of Science Rehovot ISRAEL	<i>Imaging molecular machineries in T-B cell synapses during affinity maturation in germinal centers</i>
