

HUMAN FRONTIER SCIENCE PROGRAM

CALL FOR LETTERS OF INTENT FOR RESEARCH GRANTS: AWARD YEAR 2018

HFSP supports **international** preferably **intercontinental** collaborations in **basic** life science research. Applications are invited for grants to support **innovative** approaches to understanding **complex mechanisms of living organisms**. Applicants are expected to develop **novel** lines of research distinct from their ongoing research. Preliminary results are not required.

Program Grants are for independent scientists at all stages of their careers while **Young Investigators' Grants** are for teams of scientists who are **all** within 5 years of establishing an independent laboratory and within 10 years of obtaining their PhDs. Both provide 3 years support for 2 – 4 member teams, with not more than one member from any one country, unless critical for the **innovative** nature of the project. Awards are dependent upon team size and successful teams will receive up to \$450,000 per year. The principal applicant must be located in one of the **HFSP** member countries but co-investigators may be located in any country.

Please read the guidelines on the HFSP web site (www.hfsp.org). Teams must initiate an application via the web site by **March 20, 2017** so as to submit a letter of intent online by the **March 30, 2017** deadline.
